Free Pizza and Soda or Refreshments (except for Feb 11)

Wednesday, FEBRUARY 11 - LIVE PODCAST RECORDING - WANG LECTURE HALL 1

From Stony Brook to Seoul: The Art of Interviewing K-Pop Superstars

Want to know what it's like to interview a global icon? Or how to turn your passion for K-Pop into a career?

Come hang out with **Angel Polito**, host of the K-ALL podcast, and **Haye Lee**, TV News Anchor & **Jungkook's viral interpreter**, for a live podcast chat right here at Stony Brook!

Monday, MARCH 2 ELIAS RIVERA - SOUND RECORDING WORKSHOP - N3045 MELVILLE LIBRARY

Join us for a hands on technical instruction with gear and strategies for recording clean sound in every scene.

ELIAS RIVERA is a Non-Union Production Sound Mixer with 8 years of experience freelancing in the independent and commercial film industries. Films they have mixed have gone on to premiere in theatrical releases and at major festivals. Commercial clients include Chanel, Food Network, and Travel & Leisure.

Wednesday, APRIL 1 - MICHELLE CHRISTENSEN - COSTUME DESIGNER - N3045 MELVILLE LIBRARY

Meet Michelle Christensen - learn more about her love of visual storytelling, building the life and world of a character through wardrobe and what it's like to be a working Costume Designer or Supervisor.

Michelle's work can be seen in films including; *American Pastoral*, *The Fault in Our Stars*, and *The Perks of Being a Wallflower* as well as the designer of indie film projects, now in post production.

Wednesday, MAY 13 - CAPSTONE FESTIVAL - WANG THEATRE

You won't want to miss this CREATE! Celebrate the FLM and TVW minor candidates and the culmination of their work in our programs at Stony Brook.

Join us for our annual Capstone Festival, where our Wolfie Filmmakers and TV Writers showcase their final projects of the minor program! Cord Presentation for graduating Seniors and Refreshments in the lobby to follow.

SCIENCE+CINEMA

All screenings and talks are in TABLER 110 BLACK BOX THEATRE 5:00-7:30pm

Free Pizza and Soda!

Wednesday, FEBRUARY 25 *THE MATRIX* - Professor Yifan Sun from the Dept of Computer Science is the guest speaker for the Science+Cinema screening of sci-fi classic, *The Matrix*, where she'll discuss the topic of AI and machine learning.

Wednesday, APRIL 15 *MARS ATTACKS!* - Professor Joel Hurowitz from the Dept of Geosciences is the guest speaker for the Science+Cinema screening of Tim Burton's dark sci-fi comedy, *Mars Attacks!*, and will talk about the discovery of past microbial life on the red planet.

Monday, MARCH 30 *Drowned Land* - this brand new documentary explores the fight of a Native American tribe against resource exploitation carried by the federal government. Lecture and Q&A afterwards moderated by **SBU Professor from Dept of Anthropology, Darcey Evans**, whose research focuses on the politics of environmental justice and indigenous sovereignty in North America and **Colleen Thurston**, the director of the film.
